### **ADDITIONAL SUPERVISED RELEASE TERMS**

You must provide the probation officer with access to any requested financial information.

You must not incur new credit charges or open additional lines of credit without the approval of the probation officer unless you are in compliance with the installment payment schedule.

You shall submit your person, and any property, residence, vehicle, papers, computer, other electronic communication, data storage devices, cloud storage or media, and effects to a search by any United States Probation Officer, and if needed, with the assistance of any law enforcement. The search is to be conducted when there is reasonable suspicion concerning violation of a condition of supervision or unlawful conduct by the person being supervised. Failure to submit to a search may be grounds for revocation of release. You shall warn any other occupants that the premises may be subject to searches pursuant to this condition. Any search shall be conducted at a reasonable time and in a reasonable manner.

You shall permit the U.S. Probation Office to install any application or software that allows it to survey and/or monitor all activity on any computer(s), automated service(s), or connected devices that you will use during the term of supervision and that can access the internet (collectively, the "Devices"), and the U.S. Probation Office is authorized to install such applications or software. To ensure compliance with the computer monitoring condition, you must allow the probation officer to conduct initial and periodic unannounced examinations of any Device(s) that are subject to monitoring. You must notify any other people who use the Device(s) that it is subject to examination pursuant to this condition. You must provide the U.S. Probation Office advance notification of planned use of any Device(s) and will not use any Device(s) without approval until compatibility (i.e., software, operating system, email, web-browser) is determined and installation is completed. Applications for your Device(s) shall be approved by the U.S. Probation Office once the Probation Office ensures compatibility with the surveillance/monitoring application or software. Websites, chatrooms, messaging, and social networking sites shall be accessed via the Device(s) web browser unless otherwise authorized. You will not create or access any internet service provider account or other online service using someone else's account, name, designation, or alias. You will not utilize any peer-to-peer and/or file sharing applications without the prior approval of your probation officer. The use of any Device(s) in the course of employment will be subject to monitoring or restriction as permitted by the employer.

If the probation officer determines, based on your criminal record, personal history, or characteristics, that you pose a risk to another person (including an organization), the probation officer, with the prior approval of the Court, may require you to notify the person about the risk and you must comply with that instruction. The probation officer may contact the person and confirm that you have notified the person about the risk.

You must participate in an outpatient mental health treatment program approved by the United States Probation Office. You must continue to take any prescribed medications unless otherwise instructed by the health care provider. You must contribute to the cost of services rendered based on your ability to pay and the availability of third-party payments. The Court authorizes the release of available psychological and psychiatric evaluations and reports, including the presentence investigation report, to the health care provider.

It is recommended that you be supervised by the district of residence.
